IN RE: Application of Danny R. Croxdale d/b/a)	ORDER GRANTING
Affordable Moving Services, 2272 Country)	INCREASE IN RATES
Club Road, Spartanburg, SC 29302, for a)	AND CHARGES
Rate Increase.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Danny R. Croxdale d/b/a Affordable Moving Services (Affordable or the Company) for authority to increase certain rates and charges.

The Company was granted a Class E Certificate of Public Convenience and Necessity on July 5, 1996, to transport household goods between points and places in Spartanburg, Cherokee and Union Counties to and from points and places in South Carolina. The Company currently has an individual tariff on file with the Commission. Prior to this Application, Affordable was granted a rate increase on July 15, 1999 under Order No. 1999-501 issued in Docket No. 1999-271-T.

If granted, this increase would provide additional revenues of \$21,810 thus increasing the Company's operating ratio from 58.62% to 78.75%.

We hold that the rate increase requested is just and reasonable and should be granted. We note that even after the increase, Affordable's prices will still be below those of the South Carolina Tariff Bureau. We therefore approve the increase as filed.
